

## PRESS RELEASE:

### **TOWN OF LEE HIRES LOCAL FIRM TO DESIGN WEB SITE** **Rand Advertising Contracts For Two Others**

June 16 - Rand Advertising LLC , a Lincoln based advertising and Public Relations firm, is pleased to announce that they have been chosen to design new websites for the Town of Lee, Maine, Global Self Storage in Old Town, and Coastal Bay Builders in Lincolnville.

The Town of Lee's site will be a "municipal" site featuring demographics, geography, the town's Comprehensive Plan, some town history, information about the town government, photos and general community information.

Global Self Storage in Old Town offers secure storage units in a variety of sizes, some climate-controlled. They also sell packing and moving supplies for their customers' convenience. Units are gated and fenced, with recorded video surveillance. Keypunch entry is available 24 hours a day.

Coastal Bay Builders is located in Lincolnville, Maine, at the southern corner of Waldo County.

[Rand Advertising LLC](#) was founded in 1988 by Lee and Connie Rand, and was the first Lincoln area business to have its own web site and was the first area business to offer web site design as one of the many services offered to the business community. They have designed web sites for businesses throughout New England and one in the Republic of Ireland. They designed, own, and maintain the Lincoln area web site, [www.lincolmaine.us](http://www.lincolmaine.us), which receives 8,000 visitors a week.
